注意!Attention!

-定期检查其电线,插头和其他部件是否损坏,发现损坏时应停止使用,直至修复完好

It shall be regularly examined for damage to cord, plug enclosure and other parts, and,

they must not be used until the damage has been repaired -玩具只能连接具有□ 符号的等级 II 设备 The toy is only to be connected to Class II equipment bearing the symbol □

-玩具不能连接到多于推荐数量的电源上

The toy is not to be connected to more than recommended number of power supplies

-非充电电池不能充电

Non-rechargeable batteries are not to be recharged -充电电池在充电前应从玩具中取出

Rechargeable batteries are to removed from the toy before being charged

-充电电池只能在成人监护下充电

Rechargeable batteries are only to be charged under adult supervision

-不同类型的电池或新旧电池不能混用

Different types of batteries or new used batteries are not to be mixed -电池应以正确的极性放入

Batteries are to be inserted with the correct polarity

-用尽的电池应从玩具中取出

Exhausted batteries are to removed from the toy

-电源端子不得短路

The supply terminals are not to be short-circuited

- 玩具不得供3岁以下儿童使用

The toy is not intended for children under 3 years old

-玩具只能使用推荐充电器 The model number or specification of a suitable charger for use with the toy

-玩具只能使用X126020T适配器

The toy shall only be used with Model:X126020T -充电器不是玩具

The charger is not a toy

如何放入电池 How to insert replaceable batteries

电池装配于机器人底部电池槽内,使用十字螺丝刀,拧下电池盒上紧固螺丝便可取下电池盒,将新电池 盒放入电池槽内,拧紧紧固螺丝。

A battery box is installed in the Battery Bay of Oculus 5's chassis. Please use cross screwdriver to remove the screw for battery box disassembling and replacement.

Statements:

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and

(2) This device must accept any interference received, including interference that may cause undesired operation.

Cet appareil est conforme à la section 15 des réglementations de la FCC. Le fonctionnement de l'appareil est sujetaux deux conditions suivantes :

(1) cet appareil ne doit pas provoquer d' interférences néfastes, et (2) cet appareil doit tolérer les interférences reçues, y compris celles qui risquent de provoquer un fonctionnement indésirable.

Note: This product has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This product generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this product does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Reorient or relocate the receiving antenna

Increase the separation between the equipment and receiver.

Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

-Consult the dealer or an experienced radio/TV technician for help

Please take attention that changes or modification not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment

This equipment should be installed and operated with a minimum distance 20cm between the radiator and your body Cet équipement doit être installé et utilisé à une distance minimale de 20 cm entre le radiateur et votre corps.

This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions:

(1) this device may not cause interference, and

(2) this device must accept any interference, including interference that may cause undesired operation of the device.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radioexempts de

licence. L'exploitation est autorisée aux deux conditions suivante (1) l'appareil ne doit pas produire de brouillage, et

(2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.
